

## CIMA - Chartered Institute Of Management Accountants (Member of The Chartered Institute of Management)

### Learning, Teaching & Assessment

**Guided Learning:** The students will be exposed to lectures, tutorials and supervised study guided by the teachers.

**Lectures:** The teacher will present materials either orally or by the use of other teaching aids.

**Online Learning:** The lecture notes, on-line tests, additional study material, discussion groups and links to related subjects, amongst other things, will be made available to students.

**Independent Learning:** The students will have to do self-directed independent learning where the teacher will be acting as a guide.

**Assessment:** This will be of various types. It could be written or online objective type (multiple choices) or a combination of both. For details refer to CIMA website [www.cimaglobal.com](http://www.cimaglobal.com)
